ED HUCK MARINE

Fall 2003

"Where Family and Friends Come To Play"

## Sheraton Hotel - only \$69/night

That's right. Book now for great rates on the Sheraton Downtown on Queen St and get in on the action for this year's January Toronto Boat Show (Jan 9th-18th). We've got lots planned for the first weekend (Jan 9th and 10th). Friday night's "Children for Charity" lets you enjoy great food, no crowds and the excitement of a silent auction. Rest up and plan to attend Saturday night's Ed Huck Marine exclusive Casino Event from 6 pm to 10 pm. Drop by the Cobalt booth before 6 pm for suite location. We'll be auctioning off prizes and gift

certificates to the high Rollers with the most loot and of course we'll have munchies and refreshments for all.

For hotel reservations call the Sheraton on Queen at 416-361-1000 or the Westin Harbour Castle at 416-869-1600. Book now as rooms at this rate are limited and are first come basis.

For more info on the boat show or the \*Friday Night Children for Charity Tickets contact 905 951 0009 or visit [www.toronto-boatshow.com](http://www.toronto-boatshow.com)

## Proline 20 Walk Gets New Look!

Name something that gets better looking with age. The new 20 Proline Walk does. This very popular model just got a facelift and does she look good! This versatile do-it-all vessel is perfect for cottagers and day-boaters alike with a spacious 47square foot cockpit,

easy- access cuddy cabin with porta-potti, and wide sure-footed access to the fore-deck and integrated bow roller pulpit. This is one low-maintenance relationship. Want to see more. Go to <http://www.pro-lineboats.com/series/walk/20walk.html> Prices start from \$44,900

## Seadoo builds new 2 seater

RXP has 215 HP!

That's more horsepower than most cars have! It's also a lot more fun than sitting in the take out line waiting for your morning coffee. This Seadoo is sure to put a smile on your face after a long winter's nap. Seadoo is building a limited number of RXP's so don't dawdle. Your only decision should be Green or Yellow. We were thinking of sending out a free calendar for you to watch the Winter creep by....but that's too cruel. If you're more about cruising in comfort, don't worry. The 4 TEC GTX is back in 4 configurations including the super popular super charged, GTX SC.

Seadoo has been busy designing boats too. New for 2004 is the Speedster 200 with twin 4 TEC 155 HP. Heck they've even got a 14' Jet boat that sells for less than the fanciest Seadoo For a sneak peak at all the new Seadoos and Jet boats go to [www.recreation.bombardier.com](http://www.recreation.bombardier.com) or better yet go to the show and see them for real.

## Welcome Back Sue!

We were pleased to welcome Sue Warren back to our service department this past season after having spent 2002 on maternity leave. Sue is responsible for helping Peter with service co-ordination and special requests. She has been with us since 1998 when she graduated from the Marine Technology Recreation program at Georgian College. Both Sue and her husband Steve are originally from the London area but have fallen in love with the 1000 Islands region.

Originally a sailor and only partially converted, Sue has been boating for over 20 years. She's been working in the marine industry for nine seasons at various marinas throughout Ontario. Sue, like all of us is looking forward to a short winter and eagerly anticipating another beautiful summer here on the River, boating with Steve, their son Matthew and dog Grady. We feel fortunate to have Sue on our team.

## Cobalt Launches 343: Long-awaited Sportboat

You can't rush perfection. Cobalt's been engineering the 343 for 2 years...and boy was it worth the wait. This 34' Sport/Dayboat seats 8 in the cockpit, has a luxurious cuddy cabin with separate head, stand-up center helm bolster seat, and stepped bottom that helps this agile performer run 70+MPH with stock Merc 425HP. If 34' is a little too long, how about an all new 250BR or 255 Cuddy. We're hoping to show off all of these new boats at a special Friday Night unveiling at the Boat Show as well as the very popular 220 BR that took powerboat magazines top honor "boat of the year". Make plans on your calendar to join the excitement!

## Money for Nothing and Your Gas for Free

Tell us what's on your mind. Just fill out our customer survey on line by entering our website ([www.marina.on.ca](http://www.marina.on.ca)) and clicking on the survey tab in Service. E-mail it back to [scott@marina.on.ca](mailto:scott@marina.on.ca) or print it and fax to 613-659-4286 and you'll be entered into a draw for a \$500 credit on your account to spend as you like. While we'd like to think

we get lots of the details right, we're more interested in areas where we could improve. So with your candid feedback, we can work towards improving your boating experience for 2004.

The entire staff wishes you seasons greetings and once again thanks you for rewarding us with your continued business.

## Service Message

Thanks so much for your cooperation with early winterization this fall and letting us get a head start on winter storage. We have also had a great response to our new maintenance schedules. Continuing with this preventative service means you can enjoy trouble-free summer

seasons to their fullest. Check out the service tab on our website at [www.marina.on.ca](http://www.marina.on.ca) for more information.

We will be open 5 days a week from 9 am until 4 pm this fall until holiday shutdown in mid-December. We will re-open January 5, 2004.
