NOW

is the best time to order
your new Sea Doo PWC.
**Contact don@marina.ca
or scott@marina.ca**

for details about BRP incentive
programs.

**Our freight, make ready & launch
(FML \$995.00) package goes FAR
beyond the industry norm:**

- Shipping and assembly by certified Sea Doo techs
- Every watercraft is water tested before being delivered to you
- Your new Sea Doo is delivered to you with a full tank of gas
- We license the watercraft for you
- We custom cut and apply vessel registration numbers
- Safety kit included - bailer, heaving line, flashlight, whistle
- Mooring bungee cord
- On-water orientation included with every Sea Doo
- 10 hour service check included
- 10 hour oil change included

Features

Intelligent Brake and Reverse (iBR)

The world's first on-water brake. iControl will stop your PWC on demand.

Intelligent Throttle Control (iTC)

This advanced throttle system electronically starts you in neutral for easier dockside starts. It also features various modes to accommodate your riding style.

Rotax 4-Tech Engine

Designed specifically for marine use, this engine delivers acceleration, speed and fuel efficiency. It's also CARB 3-star certified for ultra-low engine emissions

S3 Hull

Stepped, stable and strong, this S3 hull is one of it's kind. It's unique stepped design reduces drag and keeps you glued to the water.

CLCS

The industry's only Closed-Loop Cooling System. CLCS uses coolant to keep the engine running at ideal temperatures.

DESS

Digitally Encoded Security System - Prevents unauthorized use. The watercraft is embedded with a unique microchip that is engaged with your key.
